# ***ABOUT ME***

## ***ABOUT MYSELF***

I'm a graphic designer in making based in Kampala.

I am currently pursuing a Diploma in Computer Science  
at Women's Institute Of Technology and Innovation.

As a person, I love being challenged and over coming the  
challenge by all possible means.

I love seeing or imagining something to challenge abilities.

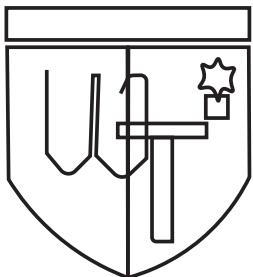

I love transforming ideas into creative visuals.

## ***SKILLS***

- Logo Design
- Branding
- Making flyers and Posters
- Designing any kind of cards

# Logo & Branding Details

BEFORE

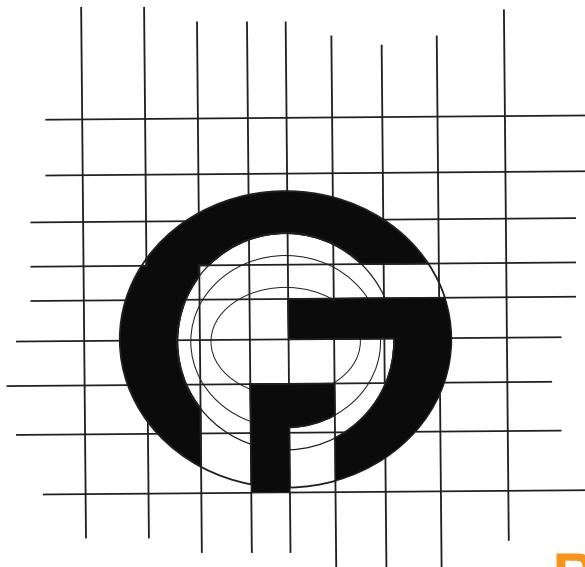

AFTER

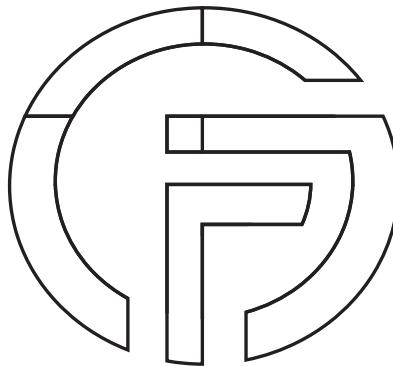

This is the logo for WITU which is an NGO that empowers women.

I actually didn't come up with this myself but I wanted to challenge myself to see if i could make something like this and to my amusement i made it. I used shapes and Letters to come up with that.

## Description

### KULUBYA CAMPUS CANTEEN

This is a poster of a canteen at Kyambogo University.

I made it because I loved the visibility and decided to challenge myself.

It shows the food items and what they offer including their deliveries.

### WITU GIVING THURSDAY

This is also a piece of work that I was trying mimic and challenge my ability and test myself.

I turned out to be a great opportunity to explore some tools that I had not used like the opacity.
